

## REMARKS

By this Amendment, previously pending claims 1, 3-12 and 14-10 have been cancelled. Originally submitted claims 2 and 13 were cancelled in a previous response. New claims 20-38 have been added.

New claims 20-38 are believed to even more clearly set forth the claimed subject matter. Please consider the "Remarks" presented in the previously filed amendment relative to the cited references, and also relative to the new claims submitted herein. It is believed that the present claims clearly define over the art of record. Allowance of claims 20-37 is therefore respectfully submitted.

If the Examiner believes that telephone contact would be helpful in expediting allowance of the present application, the Examiner is invited to contact the undersigned at the Examiner's earliest opportunity to discuss the present application.

Respectfully submitted,
